ENGINE ELECTRICAL

CONTENTS

STARTER MOTOR

M2161002000085

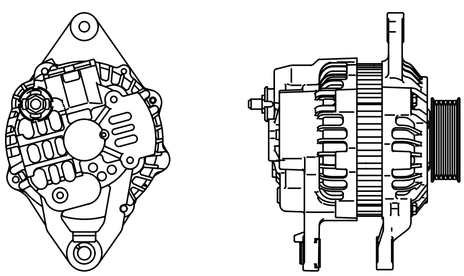

AK305385

A simple direct-drive type starter motor is employed.

Item	Specification
Rated output kW/V	0.9/12

ALTERNATOR

M2162001000063

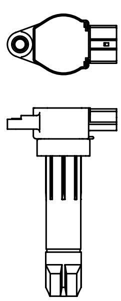

AK305384

The alternator features a battery voltage sensing system.

Item	Specification
Rated output V/A	12/85

IGNITION COIL

M2163001000099

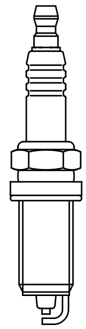

AK305386

The ignition coil with a built-in power transistor is directly mounted onto each spark plug.

SPARK PLUG

M2163005000013

AK305387

The spark plug has a long reach to expand the cooling gallery in the cylinder head.

Manufacturer	Identification No.
Bosch	FR7SE
